- More information regarding the project can be seen after pressing the **MORE** action button on the right.

#### 4. NEW PROJECT

The screenshot shows a web application interface for adding a new project. The header includes the logo and name of the ASSAM INDUSTRIAL INFRASTRUCTURE DEVELOPMENT CORPORATION, along with a user profile and a menu icon. The left sidebar contains navigation options: Dashboard, PROJECTS (All Projects, Current Projects, Finished Projects), FEEDBACK (Give Feedback), and OTHER (Fund Received, Documents Repository, Assembly Questions). The main content area is titled 'Add New Project' and contains the following form fields:

- Project Title:** A text input field.
- Source of Fund:** A text input field.
- Contractor Name:** A text input field.
- Contractor Phone:** A text input field.
- Work order No.:** A text input field.
- Work order Date:** A date input field with a calendar icon, showing the format 'dd-mm-yyyy'.
- Work order amount:** A text input field.
- Actual start date:** A date input field with a calendar icon, showing the format 'dd-mm-yyyy'.
- Planned end date:** A date input field with a calendar icon, showing the format 'dd-mm-yyyy'.
- Description:** A large text area for entering project details.
- Project Type:** A dropdown menu with the text 'Select project type' and a downward arrow.

At the bottom right of the form, there are two buttons: 'Cancel' (in orange) and 'Submit' (in blue).

- A new project can be added by clicking the new project button on the project dashboard page.
- The data can be saved by pressing the **SUBMIT** button
