MONALI GOYANI

QA + PROJECT MANAGER

PROFILE

Dedicated and detail-oriented Software Test Engineer and Project Manager with 3+ years of experience in software testing, leading UI/UX projects, and leading cross-functional teams to deliver successful technology projects on time and within budget. Strong analytical skills and a passion for delivering error-free software solutions. Proven ability to manage complex projects, and adapt to dynamic environments. I am passionate about continuous learning and improvement. I am eager to leverage my skills and experience to contribute to the success of innovative projects and make a positive impact within a dynamic organization.
