PROFESSIONAL SUMMARY

Dedicated musician with high passion for orchestral playing but also for solo performances. Working together and leading a group for maximum performance on a high level is very important for me. Furthermore this can be also related to my teaching capabilities in which I try to create the best possible outcome for every lesson taught. While trying to create an entertaining lesson in every sense and while trying to seek the best sound possible in ensemble playing I could consider myself as someone who tries to overcome any difficulties and challenges that may occur along the way.

My language skills are the following:

- C2 in Luxembourgish (mother tongue)
- C2 in Bulgarian (mother tongue, only speaking)
- C1 in German, French
- B2 in English

Diverse passions are:

- All sorts of sports, Sky Diving
- Global financial markets & economy, Investors mindsets
- Reading: acquiring different knowledge from multiple sources
- Scuba Diving (Diploma P1 2011)
- Spending quality time with good friends and great people
